Exotic Nations Renata Wasserman 2018-03-15 In this highly original and

critically informed book, Renata R. Mautner Wasserman looks at how, during the first decades following political independence, writers in the United States and Brazil assimilated and subverted European images of an "exotic" New World to create new literatures that asserted cultural independence and defined national identity. *Exotic Nations* demonstrates that the language of exoticism thus became part of the New World's interpretation of its own history and natural environment.

Hyper-specializing in Saxophone Using Acoustical Insight and Deep Listening

Skills Jonas Braasch 2019-04-25 This book presents a novel method of grafting musical wind instruments by exchanging an instrument's standard mouthpiece with different tone generators. Using the concrete example of the soprano saxophone, it describes how, with six other tone generators, including brass, double reed, and free reed mechanisms, the saxophone can be extended to nearly every wind instrument category in the von Hornbostel and Sachs classification system. The book demonstrates how it is possible to play these instrument variations with high proficiency, and describes the method of hyper-specialization, including acoustical insights, conservatory training methods and the underlying philosophy. The latter is based on the cultural traditions of the different wind instrument prototypes and the Deep Listening philosophy of cultivating internal diversity, and approach that leads to a new level of wind instrument virtuosity that offers great timbral variety combined with the flexibility of a regular acoustic wind instrument.

The Torch of Love

Twelve Years A Slave, Illustrated Edition Solomon Northup 2014-04-08

Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. *Twelve Years a Slave* is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's *Uncle Tom's Cabin*, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

University of Berkshire Hathaway Daniel Pecaut 2017-03 Each year, for thirty years, two veteran investment advisors attended Berkshire Hathaway's Annual Shareholders Meeting. After each meeting, they chronicled Warren Buffett and Charlie Munger's best lessons from that year. This book compiles those thirty years of wisdom for the first time.

A History of the English Language Elly van Gelderen 2014-04-03 The English language in its complex shapes and forms changes fast. This thoroughly revised edition has been refreshed with current examples of change and has been updated regarding archeological research. Most suggestions brought up by users and reviewers have been incorporated, for instance, a family tree for Germanic has been added, Celtic influence is highlighted much more, there is more on the origin of Chancery English, and internal and external change are discussed in much greater detail. The philosophy of the revised book remains the same with an emphasis on the linguistic history and on using authentic texts. My audience remains undergraduates (and beginning graduates). The goals of the class and the book are to come to recognize English from various time periods, to be able to read each stage with a glossary, to get an understanding of typical language change, internal and external, and to understand something about language

typology through the emphasis on the change from synthetic to analytic. This book has a companion website: <http://dx.doi.org/10.1075/z.183.website>

That Winter Pamela Gillilan 1986 Pamela Gillilan was born in London in 1918, married in 1948 and moved to Cornwall in 1951. When she sat down to write her poem *Come Away* after the death of her husband David, she had

written no poems for a quarter of a century. Then came a sequence of incredibly moving elegies. Other poems followed, and two years after starting to write again, she won the Cheltenham Festival poetry competition. Her first collection *That Winter* (Bloodaxe, 1986) was shortlisted for the Commonwealth Poetry Prize.
