White Weddings Chrys Ingraham 2009-09-10 This is a groundbreaking study of our culture's obsession with weddings. By examining popular films, commercials, magazines, advertising, television sitcoms and even children's toys, this book shows the pervasive influence of weddings in our culture and the important role they play in maintaining the romance of heterosexuality, the myth of white supremacy and the insatiable appetite of consumer capitalism. It examines how the economics and marketing of weddings have replaced the religious and moral view of marriage. This second edition includes many new and updated features including: full coverage of the wedding industrial complex; gay marriage and its relationship to white weddings and heterosexuality and demographics shifts as to who is marrying whom and why, nationally and internationally.

Stargazer Alien Reality Show Brides Tasha Black Grab the Complete Bingeworthy Trilogy now! These hunky aliens came to Earth with nothing but a time capsule of '80s movies and brand new larger-than-life human male bodies to help them find the mates they need to achieve intergalactic peace. If you're in the mood for campy '80s references, achingly gorgeous cinnamon roll heroes, lighthearted storylines, and strong heroines who know exactly what they want, then jump right into this delicious bundle of Alien Sci Fi romance! Book 1: So You Think You Can Marry an Alien Love like you have nothing to lose... Kent and his brothers have traveled from planet Aerie to Earth to take human females as mates and pleasure them into unbreakable interplanetary relations. As part of the project, Kent agrees to star on a reality show, meant to let humans see how relatable aliens are. When he meets a mysterious young woman, he begins to understand the pent-up cravings and desperate demands of his new human body. Book 2: My Big Fat Alien Wedding What happens to the wedding planner if things don't go according to plan? Parker never understood the concept of Earth love until he met Ruby. Now he's head over heels for his brother's curvy wedding planner. His heart aches, his pulsethrobs, and all the love songs and chick flicks of Earth suddenly make perfect sense to the strapping alien. But when Ruby's old high school crush conveniently arrives on the scene to star on the show as her co-wedding-planner, things get complicated quickly. Book 3: Haunted Alien Honeymoon Can she resist an alien with animal magnetism? Wayne is still new to this planet, but he is already wildly in love with reality show host Olivia Fontaine. He spends plenty of time with her, since she's hosting a series of shows about his brothers' double wedding and honeymoon - but he can never seem to get her alone to tell her how he feels. The big, hunky alien is determined to keep his secret powers under wraps and stay on Olivia's good side so that he won't miss his chance to win her over.

Offbeat Bride Ariel Meadow Stallings 2010-02-23 Unenthused by a white wedding gown and bored by the hoopla of the Hollywood-style reception, Ariel Meadow Stallings found herself absolutely exhausted with the nuances of traditional nuptials . . . so she chose to take a walk off the beaten aisle. In this updated edition of Offbeat Bride, Stallings humorously recounts the story of the original offbeat wedding-hers-and shares anecdotes and advice from dozens of other nontraditional couples. She also includes a chapter on budget weddings in today's weak economy, along with sidebars, tips, tricks, and planner encouragement to help you figure out your special day. What results is a combination of hilarious wedding stories and tons of helpful how-tos-a perfect mash-up of memoir and handbook. At once practical and enjoyable, Offbeat Bride validates choosing the funky, different, and offbeat over the traditional, and leads couples through the planning process-from unique ideas on how to announce their engagement all the way to answering the question, "So, how's married life?" Stallings is the ultimate guide to the alternative wedding of your dreams, and with Offbeat Bride, she brings you a book that serves both as an encouragement and celebration of aisles less traveled.

The Photoshop Elements 3 Book for Digital Photographers Scott Kelby 2004-10-11 If you're ready for an Elements 3 book that breaks all the rules, this is it, because it does something for digital photographers that's never been done before--it cuts

through the bull and shows you exactly "how to do it." It tells you, flat-out, which settings to use, when to use them, and why. This book is not a bunch of theory; it doesn't challenge you to come up with your own settings or figure things out on your own. It gives you the same settings used by some of the top digital pros, settings you can use today to get professional results you've always dreamed of. Plus, since this book is designed for photographers, it doesn't waste your time talking about how to frame a shot, setting your exposure, etc. and there's no talk which camera or printer to buy. It's all Elements, step-by-step, cover-to-cover in the only book of its kind, and you're gonna love it! Besides learning the inside tips and the tricks of the trade for correcting, editing, sharpening, retouching, and presenting your photos like a pro. You'll learn how to unlock the power of all the new Elements 3 features, including how to manage your photos using the new Organizer, how to use the new "pro tools" like the Healing Brush and the Shadow/Highlight controls, and how to master the new "Creation" section to take your photos to an entirely new level. Plus, you'll see it all step-by-step, in plain English, and you'll be absolutely amazed at how easy and effective these techniques are, once you know the secrets. You'll learn: The secrets of how the pros retouch portraits How to incorporate the amazing new features of Elements 3 into your work today! How to color correct any photo without breaking a sweat (you'll be amazed at how they do it!) How to repair and restore damaged photos The sharpening techniques the pros really use (there's an entire chapter just on this!) Dealing with common digital camera image problems, including removing noise and avoiding halos When to use Quick Fix, and when to do it yourself (using our step-by-step methods). The most-requested photographic special effects and much more! But besides all that, this book has a "secret weapon" that makes it the most important, most useful Elements book yet. The reason is this--although Elements 3 offers some digital photography features Photoshop CS doesn't offer, there are plenty of features that Photoshop CS has, that Elements 3 still doesn't have (things like Layer Masking, Channel Mixer, etc.). But in this book, you'll learn some slick workarounds, cheats, and some fairly ingenious ways to replicate many of those Photoshop features from right within Elements. There's never been a book like it, and if you're a digital photographer using Photoshop Elements 3, this is the book you've been waiting for.

The Spanish Love Deception Elena Armas 2022-02-08 A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic

induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

The Business of Bridal Beauty Getchen Maurer 1998 With the offering and rendering of bridal services becoming one of the fastest growing service areas in the beauty industry, a prime opportunity exists to enhance your salon's potential revenue. The Business of Bridal Beauty will teach you how to build and market your bridal business and successfully service the bride and her party. My Big Fat Alien Wedding Tasha Black 2019-10-07 What happens to the wedding planner if things don't go according to plan? Parker never understood the concept of Earth love until he met Ruby. Now he's head over heels for his brother's curvy wedding planner. His heart aches, his pulse throbs, and all the love songs and chick flicks of Earth suddenly make perfect sense to the sexy alien. Ruby is planning an amazing reality show wedding for her best friend, but can't help getting weak-kneed every time the groom's brother is around. When Parker offers to help Ruby so she can bring the wedding off in just one week, Ruby is eager to spend more time with the hunky alien. The only challenge is to hide her attraction from the cameras at all costs - after all, they are supposed to be planning Margot's big day! But when Ruby's old high school crush conveniently arrives on the scene to star on the show as her co-wedding-planner, things get complicated quickly. It seems to Parker that the producers have something specific in mind when it comes to Ruby's future. But even with interplanetary relations in the balance, how is he supposed to keep his mouth shut and watch her fall for another man? If you like strong women, sexy aliens, wild adventures, steamy sensual scenes, and happily-ever-afters, then you'll love the world of Stargazer: Stargazer Alien Reality Brides: -So You Think You Can Marry an Alien -My Big Fat Alien Wedding -Haunted Alien Honeymoon

TV Shows That Teach Eddie James 2009-08-01 We've all heard the statistics about how much TV kids watch--and how it's not good for them. Well, throw those stats out the window so you can use TV for the good of your students! Following the best-selling format of the Videos That Teach series, TV Shows That Teach will give you plenty of TV show clip ideas to use for illustrations or teaching on a variety of topics or Bible passages. From the classics, to some of the latest and greatest shows, you'll find ideas that will fit into any message you're trying to communicate to your students. Included in this book are clip ideas from comedies like Happy Days, The Simpsons, Saturday Night Live, The Office, The Cosby Show, Everybody Loves Raymond, and more. You'll also find clips from dramas like The West Wing, Freaks and Geeks, 24, Lost, My So Called Life, The Sopranos, and more. And, of course, there are lessons to be learned from reality shows like The Simple Life, American Idol, Survivor, The Real World, and more. Search by topic or Bible reference to find just the right clip, or just look through the table of contents for your favorite shows. Each clip will give you start and stop points, Bible

passages that relate to the topic in the clip, as well as questions to get your students thinking and talking about what they just watched. They'll never see TV in the same way!

Wife, Inc. Suzanne Leonard 2020-05-01 A fascinating look at the changing role of wives in modern America After a half century of battling for gender equality, women have been freed from the necessity of securing a husband for economic stability, sexual fulfillment, or procreation. Marriage is a choice, and increasingly women (and men) are opting out. Yet despite these changes, the cultural power of marriage has burgeoned. What was once an obligation has become an exclusive club into which heterosexual women with the right amount of self-discipline may win entry. The newly exalted professionalized wife is no longer reliant on her husband's status or money; instead she can wield her own power provided she can successfully manage the business of being a wife. Wife, Inc. tells a fiercely contemporary story revealing that today's wives do not labor in kitchens or even homes. Instead, the work of wifedom occurs in online dating sites, on reality television, in social media, and on the campaign trail. Dating, marital commitment, and married life have been reconfigured. No longer the stuff of marriage vows, these realms are now controlled by brand management and marketability. To prosper, women must appear confident, empowered, and sexually savvy. Guiding readers through the stages of the "wife-cycle," Suzanne Leonard follows women as they date, prepare to wed, and toil as wives, using examples from popular television, film, and literature, as well as mass market news, women's magazines, new media, and advice culture. The first major study to focus on this new definition of "working wives," Wife, Inc. reveals how marriage occupies a newly professionalized role in the lives of American women. Being a wife is a business that takes a lot more than a vow to maintain—this book tells that story.

Tales from the Back Row Amy Odell 2015-09 "Hilarious, insightful and smart. A must-read for anyone who wears clothes." -Chelsea Handler *US Weekly, "Riveting Reads for Labor Day"* *Bustle, "2015 Books Every Funny Woman Should Read" and "September 2015's Best Books"* *Refinery29 "Fall's Most Highly Anticipated Nonfiction Reads"* *theSkimm, "Skimm Reads"* *Popsugar, "Motivational Books You Should Read this Fall"* *AM NY, "New Books for New Yorkers to Read This Fall"* The Lowdown on High Fashion Cosmopolitan.com editor Amy Odell knows what it's really like to be a young woman working in the fashion industry. In *Tales from the Back Row*, Amy-funny and fearless-takes readers behind the stage of New York's hottest fashion shows to meet the world's most influential models, designers, celebrities, editors, and photographers. But first, she has to push her way through the crowds outside, where we see the lengths people go to be noticed by the lurking paparazzi, and weave her way through the packed venue, from the very back row to the front. And as Amy climbs the ladder (with tips about how you can, too), she introduces an industry powered by larger-than-life characters: she meets the intimidating Anna Wintour and the surprisingly gracious Rachel Zoe, not to mention the hilarious Chelsea Handler, and more. As she describes the allure of Alexander Wang's ripped tights and Marchesa's Oscar-worthy dresses, Amy artfully layers in something else: ultimately this book is about how the fashion industry is an exaggerated mirror of human fallibility-reflecting our desperate desire to belong, to make a mark, to be included. For Amy is the first to admit that as much as she is embarrassed by the thrill she gets when she receives an invitation to an exclusive after-party, she can't help but RSVP "yes."

Bridesmaid on a Budget Sharon Naylor 2010-12-28 Bridesmaids today face an average expense of more than \$3,000 when they accept the invitation to be in a bridal party. Add in the cost of travel and lodging-which is increasingly becoming necessary, with the growing popularity of destination weddings-and that \$3,000 climbs to an even higher price tag. It's hard to say no when a friend asks you to be a part of their wedding, but in this economy, most bridesmaids just don't have the money to participate-not without ending up with a handful of maxed-out credit cards and a whole lot of resentment, anyway. In *Bridesmaid on a Budget*, Sharon Naylor-the author of multiple best-selling budgeting books for brides-offers women advice on how to beat the system. Naylor gives tips on where to find the best, most affordable dresses and accessories; planning fantastic (but low-cost) showers and bachelorette parties; giving a great wedding gift without emptying your pocketbook; minimizing the extra expenses of a destination wedding; and more. For the almost 10 million women per year who become one, *Bridesmaid on a Budget* is an indispensable guide to being a brilliant bridesmaid-without breaking the bank.

So You Think You Can Marry an Alien Tasha Black 2019-09-16 Love like you have nothing to lose... Margot Lane thought she had an exciting life - plenty of fans, lots of money, and even her dream role on a hit TV show. But when she busts out of the most expensive and exclusive celebrity fat camp on the east coast, things really get interesting. Pursued by personal trainers, Margot takes an opportunity to duck out of sight. But she realizes she may have gone from the frying pan into the fire when she finds out that she's "hiding" on the set of the hot new reality show that's captured the imagination of the entire planet. And it doesn't help that the star of the show is the most achingly gorgeous man she's ever seen. Kent

and his brothers have traveled from planet Aerie to Earth to take human females as mates and pleasure them into unbreakable interplanetary relations. As part of the project, Kent agrees to star on a reality show, meant to let humans see how relatable aliens are. When he meets a mysterious young woman, he begins to understand the pent-up cravings and desperate demands of his new human body. Can Margot keep her identity under wraps when the cameras are on? Or will Kent help her do everything she thinks she can't? If you like strong women, sexy aliens, wild adventures, steamy sensual scenes, and happily-ever-afters, then you'll love the world of Stargazer: Stargazer Alien Reality Brides: -So You Think You Can Marry an Alien -My Big Fat Alien Wedding -Haunted Alien Honeymoon

The Sacred in Fantastic Fandom Carole M. Cusack 2019-04-23 To the casual observer, similarities between fan communities and religious believers are difficult to find. Religion is traditional, institutional, and serious; whereas fandom is contemporary, individualistic, and fun. Can the robes of nuns and priests be compared to cosplay outfits of Jedi Knights and anime characters? Can travelling to fan conventions be understood as pilgrimages to the shrines of saints? These new essays investigate fan activities connected to books, film, and online games, such as Harry Potter-themed weddings, using *The Hobbit* as a sacred text, and taking on heroic roles in *World of Warcraft*. Young Muslim women cosplayers are brought into conversation with Chaos magicians who use pop culture tropes and characters. A range of canonical texts, such as *Supernatural*, *Buffy the Vampire Slayer*, and *Sherlock*--are examined in terms of the pleasure and enchantment of repeated viewing. Popular culture is revealed to be a fertile source of religious and spiritual creativity in the contemporary world.

The Mother of the Bride Guide Katie Martin 2016-11-04 A contemporary guide for today's mother of the bride shares expert guidelines on everything from getting the most out of wedding-planning sites and navigating sticky situations to observing social media etiquette and working with future in-laws. --Publisher's description.

Another Runaway Bride Bryan Fletcher 2017-05-18 In a present-day New York City bridal shop, Kate Valenteen refuses to marry Victor Strath, from a pretentious old-school Downton Abbey-style family led by the ninth earl of Strath. And with absolutely no interest in an arranged marriage or stuck in a post-Edwardian era lifestyle, she searches one bridal shop room after another to escape then climbs out a bathroom window. Weve got a runner! What? I say, weve got a runner!

Dog Tags Alexandra Landon 2011-04 Sarah Ryan Benton is a successful sales representative working for ViaStem Biotechnology Corporation, a maverick in bringing the first FDA-approved human embryonic stem-cell cloning procedure to market to defeat deadly, crippling diseases. She is madly in love with her husband, Lieutenant Commander Stephen Lance Benton of Navy SEAL Team One, based in Coronado, California. Sarah's dream life in gorgeous San Diego, California is shattered following a second terrorist attack on American soil and the tragic news of Stephen's disappearance in Afghanistan during his final deployment before his retirement from the U.S. Navy. With no viable answers from the government on the circumstances of Stephen's disappearance, Sarah teams with Stephen's closest comrade, Retired Captain Warren McNary, to discover what really happened in the mountains of Afghanistan. Sarah grows restless with their slow progress and mounting questionable events, so she begins her own investigation and uncovers a major conspiracy. Through her novice actions, Sarah is plunged into deceit and danger. Fight or flight is her natural instinctive response to danger. Rather than run, Sarah chooses to fight the most powerful man in America to let the world know the truth. Join Sarah in her death-defying mission to bring about justice for the love of her life.
