Homecoming Thema Bryant, Ph.D. 2022-03-15 A road map for dismantling the fear and shame that keep you from living a free and authentic life. In the aftermath of stress, disappointment, and trauma, people often fall into survival mode, even while a part of them longs for more. Juggling multiple demands and responsibilities keeps them busy, but not healed. As a survivor of sexual assault, racism, and evacuation from a civil war in Liberia, Dr. Thema Bryant knows intimately the work involved in healing. Having made the journey herself, in addition to

guiding others as a clinical psychologist and ordained minister, Dr. Thema shows you how to reconnect with your authentic self and reclaim your time, your voice, your life. Signs of disconnection from self can take many forms, including people-pleasing, depression, anxiety, and resentment. Healing starts with recognizing and expressing emotions in an honest way and reconnecting with the neglected parts of yourself, but it can't be done in a vacuum. Dr. Thema gives you the tools to meaningfully connect with your larger community, even if you face racism and sexism, heartbreak, grief, and trauma. Rather than shrinking

in the face of life's difficulties, you will discover in Homecoming the therapeutic approaches and spiritual practices to live a more expansive life characterized by empowerment, healthier relationships, gratitude, and a deeper sense of purpose.

Winston Brothers Band 1 + 2 Penny Reid 2019-04-01 Zwei Winston Brothers in einem Band! Die Zwillinge Beau und Duane Winston teilen zwar ihr verboten gutes Aussehen, ansonsten könnten sie jedoch verschiedener nicht sein. Wo Beau freundlich und zuvorkommend ist, ist Duane verschlossen und grüblerisch. Kein Wunder, dass Jessica James schon seit Jahren heimlich für Beau schwärmt, während Duane ihr nur Ablehnung entgegen bringt. Doch als Jessica nach dem College in ihre Heimat Green Valley, Tennessee, zurückkehrt, kommt es zu einer folgenschweren Verwechslung (inklusive intensiven Knutschens) und Jessica befindet sich mitten im Gefühlschaos. Zumal ihre Rückkehr in die heimatliche Kleinstadt eigentlich sowieso nur kurzfristig sein soll. Aber Duane Winston ist nicht nur schwer zu verstehen, er ist noch schwerer hinter sich zu lassen. *** Sienna Diaz ist Hollywoods Liebling. Sie ist witzig, clever und einfach anders als ihre mageren Schauspielkolleginnen. Ihr Problem ist nur, dass sie partout keine Straßenkarten lesen kann. Als ihr neuester Film sie also in den Great Smoky Mountains National Park in Tennessee verschlägt, kann sie nur froh sein, dass ein charmanter Park Ranger namens Jethro Winston sie aufgabelt und kein launischer Schwarzbär. Sienna ist aus Hollywood einiges an gutem Aussehen gewohnt, aber mit seinem Südstaatencharme, dem Dreitagebart und natürlichem Sexappeal, ist Jethro eine ganz andere Sorte Mann. Und bald schon verliert Sienna nicht nur die Orientierung rund um Green Valley, sondern auch ihr Herz. *A Magnolia Friendship* Anne-Marie Meyer "I love everything about this series, the town, the newly discovered love, but mostly the new and enduring friendships." --Reviewer I thought when Craig walked out on me, that was it. Homecoming King Penny Reid 2021-12-14 Rex "TW" McMurtry's perpetual single-hood wouldn't bother him so much if all his ex-girlfriends didn't keep marrying the very next person they dated, especially when so many of those grooms are his closest friends. He may be a pro-football defensive end for the Chicago Squalls, but the press only wants to talk about how he's always a groomsman and never a groom. She's dated. Once. And once was more than enough. Despite their concerns, they agree. The Quinlans soon come to learn their family has more secrets than they ever imagined—revelations that at first inspire curiosity, then fear. Why does Bridge have faint memories of the estate? Why did their father want them to be sequestered there together? And what is out there they feel pulling them into the dark heart of the woods? The Homecoming is at once a gripping mystery, a chilling exploration of how our memories can both define and betray us, and a riveting page-turner that will have you questioning your very existence.

Tribe Sebastian Junger 2016-05-24 We have a strong instinct to belong to small groups defined by clear purpose and understanding--"tribes." This tribal connection has been largely lost in modern society, but regaining it may be the key to our psychological survival. Decades before the American Revolution, Benjamin Franklin lamented that English settlers were constantly fleeing over to the Indians-but Indians almost never did the same. Tribal society has been exerting an almost gravitational pull on

Westerners for hundreds of years, and the reason lies deep in our evolutionary past as a communal species. The most recent example of that attraction is combat veterans who come home to find themselves missing the incredibly intimate bonds of platoon life. The loss of closeness that comes at the end of deployment may explain the high rates of post-traumatic stress disorder suffered by military veterans today. Combining history, psychology, and anthropology, *Tribe* explores what we can learn from tribal societies about loyalty, belonging, and the eternal human quest for meaning. It explains the irony that for many veterans as well as civilians war feels better than peace, adversity can turn out to be a blessing, and disasters are sometimes remembered more fondly than weddings or tropical vacations. *Tribe* explains why we are stronger when we come together, and how that can be achieved even in today's divided world.

Homecoming John Bradshaw 2013-04-24 Are you outwardly successful but inwardly do you feel like a big kid? Do you aspire to be a loving parent but all too often "lose it" in hurtful ways? Do you crave intimacy but sometimes wonder if it's worth the struggle? Or are you plagued by constant vague feelings of anxiety or depression? If any of this sounds familiar, you may be experiencing the hidden but damaging effects of a painful childhood—carrying within you a "wounded inner child" that is crying out for attention and healing. In this powerful book, John Bradshaw shows how we can learn to nurture that inner child, in essence offering ourselves the good parenting we needed and longed for. Through a step-by-step process of exploring the unfinished business of

each developmental stage, we can break away from destructive family rules and roles and free ourselves to live responsibly in the present. Then, says Bradshaw, the healed inner child becomes a source of vitality, enabling us to find new joy and energy in living. Homecoming includes a wealth of unique case histories and interactive techniques, including questionnaires, letter-writing to the inner child, guided meditations, and affirmations. Pioneering when introduced, these classic therapies are now being validated by new discoveries in attachment research and neuroscience. No one has ever brought them to a popular audience more effectively and inspiringly than John Bradshaw.
