I Wish I Had Never Been Born Nicholas L. Vulich
2014-01-28 July 21st, 1861. Bull Run, Virginia. It was a fine day for a battle. Hundreds of spectators decided to tag after the army. They came in buggies and on horseback, riding seven long hours in the hot Virginia sun. Mostly men, a few women, and a host of politicians – among them Ohio Senator Ben Wade, New York Congressman Alfred Ely, and Illinois Congressman Elihu Washburne. English war correspondent William Howard Russell was in the crowd. He reported, “The spectators were all excited, and a lady with an opera glass who was quite beside herself when an unusually heavy discharge roused the current of her blood...‘that is splendid, oh my, is not that first rate? I guess we will be in Richmond to-morrow,’ she exclaimed.” A cheer went through the crowd when an officer reported to the onlookers, “We are whipping them,

good!” Later that afternoon many of the spectators were caught in the wild frenzy of Union troops stampeding their way back to Washington in a disorganized unruly retreat. For Abraham Lincoln the defeat at Bull Run meant only one thing. It was going to be a long war, with no quick end in sight. He told A. G. Riddle, “I am the President of one part of this divided country at least, but look at me! I wish I had never been born! I’ve a white elephant on my hands, one hard to manage. With a fire in my front and rear, having to contend with the jealousies of military commanders and not receiving that cordial cooperation and support from Congress that could reasonably be expected, with an active and formidable enemy in the field threatening the very life blood of the Government, my position is anything but a bed of roses.” *I Wish I Had Never Born* is a quick easy read following the life of Abraham Lincoln. You’ll learn about his early days,

his loves, his disappointments, his rise to power, and his assassination. And, yes, we will talk about that annoying rumor of Lincoln being gay. Say it isn't so Abe? Read the book. Learn all you need to know about Abraham Lincoln in short, illustrated bites.

Quantitative Conservation of Vertebrates Michael J.

Conroy 2011-09-20 This book provides a hands-on introduction to the construction and application of models to studies of vertebrate distribution, abundance, and habitat. The book is aimed at field biologists, conservation planners, and advanced undergraduate and postgraduate students who are involved with planning and analyzing conservation studies, and applying the results to conservation decisions. The book also acts as a bridge to more advanced and mathematically challenging coverage in the wider literature. Part I provides a basic background in population and community modeling. It introduces statistical models, and

familiarizes the reader with important concepts in the design of monitoring and research programs. These programs provide the essential data that guide conservation decision making. Part II covers the principal methods used to estimate abundance, occupancy, demographic parameters, and community parameters, including occupancy sampling, sample counts, distance sampling, and capture-mark-recapture (for both closed and open populations). Emphasis is placed on practical aspects of designing and implementing field studies, and the proper analysis of data. Part III introduces structured decision making and adaptive management, in which predictive models are used to inform conservation decision makers on appropriate decisions in the face of uncertainty—with the goal of reducing uncertainty through monitoring and research. A detailed case study is used to illustrate each of these themes.

Numerous worked examples and accompanying electronic material (on a website - <http://www.blackwellpublishing.com/conroy> - and accompanying CD) provide the details of model construction and application, and data analysis.

Dave Bautista Adult Coloring Book: Drax from Avengers and Professional Wrestler, Legendary Actor and Mixed Martial Artist Inspired Adult Coloring Book Tonya Lincoln 2019-01-07 David

Michael Bautista Jr. is an American actor, professional wrestler, mixed martial artist, and bodybuilder. Bautista began wrestling in 1999, and signed with the World Wrestling Federation (WWF, now WWE) in 2000. From 2002 to 2010 he gained fame under the ring name Batista, winning the World Heavyweight Championship four times and the WWE Championship twice. He holds the record for the longest reign as World Heavyweight Champion at 282 days and has also won the World

Tag Team Championship three times (twice with Ric Flair and once with John Cena) and the WWE Tag Team Championship once (with Rey Mysterio). He was the winner of the 2005 Royal Rumble match and went on to headline WrestleMania 21, one of the top five highest-grossing pay-per-view events in professional wrestling history. Bautista re-signed with WWE in 2013, going on to win the 2014 Royal Rumble match and headline WrestleMania XXX.

deep into the heart of enemy territory, where he will come face to face with actor John Wilkes Booth. He uncovers a criminal fraternity involving a disgraced Union General, a sadistic Confederate mastermind, a former US President and a European dictator. The bloody aftermath radically alters American history.

The Secret to Happiness (Cape Cod Creamery Book #2) Suzanne Woods Fisher 2023-05-02 Escape to Cape Cod--where you just might find the secret to happiness Callie Dixon had the world by the tail . . . until it all slipped away. Fired from her dream job after making a colossal mistake, she's escaped to her aunt's home on Cape Cod for time to bounce back. Except it isn't a home, it's an ice cream shop. And time isn't going to help, because Callie's bounce has up and left. There's a reason she made that mistake at work, and she's struggling to come to terms with it. Things go from bad to worse when Callie's cousin

Dawn drags her to a community class about the secret to happiness. Happiness is the last thing Callie wants to think about right now, but instructor Bruno Bianco--a curiously gloomy fellow--is relentless. He has a way of turning Callie's thoughts upside down. Her feelings, too. Bruno insists that hitting rock bottom is the very best place to be. But if that's true, how is it supposed to help her figure out what--or who--has been missing from her life all along?

The Lincoln Highway Amor Towles 2021-10-05 #1 NEW YORK TIMES BESTSELLER More than ONE MILLION copies sold A TODAY Show Read with Jenna Book Club Pick A New York Times

Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post, Bill Gates and Barack Obama as a Best Book of the Year “Wise and wildly entertaining . . . permeated with light, wit, youth.” —The New York Times Book Review “A classic that we will read for years to come.” —Jenna Bush Hager, Read with Jenna book club “Fantastic. Set in 1954, Towles uses the story of two brothers to show that our personal journeys are never as linear or predictable as we might hope.” —Bill Gates “A real joyride . . . elegantly constructed and compulsively readable.” —NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His

mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. “Once again, I was wowed by Towles’s writing—especially because *The Lincoln Highway* is so different from *A Gentleman in Moscow* in

terms of setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero's journeys, including The Iliad, The Odyssey, Hamlet, Huckleberry Finn, and Of Mice and Men. He seems to be saying that our personal journeys are never as linear or predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel." – Bill Gates

The Gettysburg Address Abraham Lincoln 2017-05-15 The Gettysburg Address is a speech by U.S. President Abraham Lincoln, one of the best-

known in American history. It was delivered by Lincoln during the American Civil War, on the afternoon of Thursday, November 19, 1863, at the dedication of the Soldiers' National Cemetery in Gettysburg, Pennsylvania, four and a half months after the Union armies defeated those of the Confederacy at the Battle of Gettysburg. Abraham Lincoln's carefully crafted address, secondary to other presentations that day, was one of the greatest and most influential statements of national purpose. In just over two minutes, Lincoln reiterated the principles of human equality espoused by the Declaration of Independence and proclaimed the Civil War as a struggle for the preservation of the Union sundered by the secession crisis, with "a new birth of freedom" that would bring true equality to all of its citizens. Lincoln also redefined the Civil War as a struggle not just for the Union, but also for the principle of human equality. Beginning with

the now-iconic phrase "Four score and seven years ago"—referring to the United States Declaration of Independence in 1776—Lincoln examined the founding principles of the United States as stated in the Declaration of Independence. In the context of the Civil War, Lincoln also memorialized the sacrifices of those who gave their lives at Gettysburg and extolled virtues for the listeners (and the nation) to ensure the survival of America's representative democracy: that "government of the people, by the people, for the people, shall not perish from the earth." Despite the speech's prominent place in the history and popular culture of the United States, the exact wording and location of the speech are disputed. The five known manuscripts of the Gettysburg Address in Lincoln's hand differ in a number of details, and also differ from contemporary newspaper reprints of the speech.

American Rhetorical Excellence Perry C. Cotham
2017-03-27 Public addresses make a difference a huge difference! Whether we think of public addresses as orations, as speeches, or as persuasive written documents, so many of these public addresses are intricately linked to the kind of nation and society we experience in the United States in the early twenty-first century. *American Rhetorical Excellence* is the most complete and up-to-date single volume on American rhetoric and oratory. In a readable and interesting style, Dr. Cotham explains what makes a speech great and enduring, and he dares to list and rank the top ten public addresses in American history. Altogether, 101 famous public addresses are discussed in brief essays, and Dr. Cotham offers insights into both the context and practical application of these important addresses. A wide range of other topics are discussed, including American political speaking,

presidential debating, campaign speaking, famous pieces of written rhetoric, and American demagoguery. Although choosing from the veritable pantheon of American speakers and speeches is a difficult and even contentious challenge, American Rhetorical Excellence will equally challenge students of history, political science, and communication to think deeply about the fascinating ways in which American rhetoric has shaped the politics, culture, religion, and reformation of the United States.

Gone Fishing Douglas Preston 2017-12-01

Experience a heart-pumping and thrilling tale of suspense! Originally published in THRILLER (2006), edited by #1 New York Times bestselling author James Patterson. In this tag team Thriller Short, Douglas Preston and Lincoln Child feature New York City policeman Vincent D'Agosta, who becomes involved with the theft of an ancient Incan

sacrificial knife. But before D'Agosta can apprehend the thieves, they meet an untimely death. The particularly gruesome nature of the murders will leave D'Agosta longing for his more conventional villains—heat-packing crackheads, Hummer-driving pimps, two-dollar murderers, subway turnstile jumpers and the assortment of other freaks and bad guys he knows so well from the streets of New York City. His instincts tell him two things for certain: the inexplicable violence of this case has nothing to do with the original heist, and there are going to be more murders. Don't miss any of these exciting Thriller Shorts: James Penney's New Identity by Lee Child Operation Northwoods by James Grippando Epitaph by J. A. The Impeachers Brenda Wineapple 2020-05-19
NAMED ONE OF THE BEST BOOKS OF THE

/tag/lincoln/ upload Betty z Ferguson

YEAR BY Jennifer Szalai, The New York Times • The New York Times Book Review • NPR • Publishers Weekly “This absorbing and important book recounts the titanic struggle over the implications of the Civil War amid the impeachment of a defiant and temperamentally erratic American president.”—Jon Meacham, Pulitzer Prize–winning author of *The Soul of America* When Abraham Lincoln was assassinated and Vice-President Andrew Johnson became “the Accidental President,” it was a dangerous time in America. Congress was divided over how the Union should be reunited: when and how the secessionist South should regain full status, whether former Confederates should be punished, and when and whether black men should be given the vote. Devastated by war and resorting to violence, many white Southerners hoped to restore a pre–Civil War society, if without slavery, and the pugnacious

September 26, 2023 by Betty z Ferguson*

Andrew Johnson seemed to share their goals. With the unchecked power of executive orders, Johnson ignored Congress, pardoned rebel leaders, promoted white supremacy, opposed civil rights, and called Reconstruction unnecessary. It fell to Congress to stop the American president who acted like a king. With profound insights and making use of extensive research, Brenda Wineapple dramatically evokes this pivotal period in American history, when the country was rocked by the first-ever impeachment of a sitting American president. And she brings to vivid life the extraordinary characters who brought that impeachment forward: the willful Johnson and his retinue of advocates—including complicated men like Secretary of State William Seward—as well as the equally complicated visionaries committed to justice and equality for all, like Thaddeus Stevens, Charles Sumner, Frederick Douglass, and Ulysses S. Grant.

Theirs was a last-ditch, patriotic, and Constitutional effort to render the goals of the Civil War into reality and to make the Union free, fair, and whole. Praise for *The Impeachers* “In this superbly lyrical work, Brenda Wineapple has plugged a glaring hole in our historical memory through her vivid and sweeping portrayal of President Andrew Johnson’s 1868 impeachment. She serves up not simply food for thought but a veritable feast of observations on that most trying decision for a democracy: whether to oust a sitting president. Teeming with fiery passions and unforgettable characters, *The Impeachers* will be devoured by contemporary readers seeking enlightenment on this issue. . . . A landmark study.”—Ron Chernow, Pulitzer Prize–winning author of *Grant* [Lincoln’s Quotes and My Limericks](#) Thomas R. Wallin 2010-06-23 Wallin has been married to wife Judy for 45 years. They have two children, and 4

grand children. A 13 year old son died of leukemia in 1984. Wallin has a BS in Applied Science from Southern Illinois University in 1965 and a MS in Civil Engineering from the University of Illinois/Champaign/Urbana in 1967 He has written numerous opinions and religious books including interpretive commentaries for many books of the Bible, and a book of interpretive essays and poetry for wise sayings from such authors as Jackson Brown, Stephen Covey, Edwin and Sally Kiester, William Bennett, John Rosemond, Steven Scott, quotes from Readers Digest, Colin Powell and even Salada Tea “Tag Lines.” Wallin has also written “Jeff’s Miracle”(a book describing his son’s leukemia illness and subsequent death) and rebuttal books to Harold Kushner’s “When Bad Things Happen to Good People” and Pat Robertson’s “Secret Kingdom”. Wallin’s hobbies include writing, motorcycling and supportive activities for wife,

children and grand children. Politically, he is a fiscal and social conservative, he likes people and thinks he knows what he knows.

Variable Onset Layla Reyne 2020-05-04 To catch a killer, a special agent and his former student will need to get close—to their target, and each other. Layla Reyne returns with a stand-alone romantic mystery. When the serial killer known as Dr. Fear seemingly reemerges after a cooling-off period, Special Agent Lincoln Monroe wants on the case. He knows his research on the calculating criminal, who targets couples and uses their worst fears to kill them, could prove invaluable. But nothing can prepare Lincoln for the agent waiting for him in Apex, Virginia: a brash and cocky former student. Carter Warren is everything Lincoln is not, and somehow everything he wants. And they’ll be

going undercover. As newlyweds. For Carter, seeing Lincoln again—and flustered to boot—pokes his raging bear of a crush something fierce. He thinks posing as lovers will provide the perfect bait for Dr. Fear. But pretending to be married forces them to confront fears of their own...like giving in to the very real chemistry between them. With evidence pointing to the possibility of a copycat killer, Lincoln and Carter will have to race to separate truth from fiction. But when another couple goes missing, finding the killer will test every ounce of their training, skills and the strength of their bond like never before. Studies in English and European Historical

Dialectology Marina Dossena 2009 Originally presented at the second in the newly-launched series of International Conferences on English Historical Dialectology, held at the University of Bergamo in August 2007, the contributions collected in this volume discuss significant aspects of socio-geo-historical variation in language. In addition to British English, the focus is on Dutch, Scots and varieties of English outside England (in Wales and in the American colonies of the seventeenth century), in a time span ranging from medieval

16/21

*Downloaded from acdress.com on
September 26, 2023 by Betty z Ferguson*

times to the nineteenth century. The aim is to highlight the traits that allow scholars to approach the study of English in a broader European perspective, identifying the patterns that show convergence or divergence, not just in terms of shared linguistic features (morphosyntactic, lexical or pragmatic), but also in terms of methodological approaches. In this respect, great attention is given to the latest developments in corpus and computational linguistics, showing the extent to which such new tools as electronic atlases and tagged corpora may facilitate answers to important research questions. At the same time, perceptual dialectology is awarded new interest on account of its significant role in normative and argumentative language use.

Religion and the American Presidency Gastón

Espinosa 2009 This book challenges the idea that the mixing of religion and presidential politics is a new

phenomenon. It explores how presidents have drawn on their religious upbringing, rhetoric, ideas, and beliefs to promote their domestic and foreign policies to the nation. This influence is evident in Washington's decision to add "so help me God" to the presidential oath, accusations by Adam's supporters that Jefferson was an infidel, Lincoln's biblical metaphors during the Civil War, and FDR's call to fight against Nazi totalitarianism on behalf of Judeo-Christian civilization. It is also apparent in Truman's support for Israel, Eisenhower's Cold War decision to add "In God We Trust" on American currency, the debate over JFK's Catholicism, Jimmy Carter's born-again Christianity, Reagan's "Evil Empire" speech, Clinton's public repentance, and George W. Bush's "crusade" against Islamic terrorists. This volume explores these issues of religion and power in the presidencies of Washington, Jefferson, Madison, Lincoln, FDR,

Truman, Eisenhower, JFK, Carter, Reagan, George H. W. Bush, Clinton, and George W. Bush through scholarly interpretations, primary sources, and illustrations.

Lincoln's Emancipation Proclamation Allen C.

Guelzo 2006-11-07 One of the nation's foremost

Lincoln scholars offers an authoritative consideration of the document that represents the most far-reaching accomplishment of our greatest president.

No single official paper in American history changed the lives of as many Americans as Lincoln's Emancipation Proclamation. But no American document has been held up to greater suspicion. Its bland and lawyerlike language is unfavorably compared to the soaring eloquence of the Gettysburg Address and the Second Inaugural; its effectiveness in freeing the slaves has been dismissed as a legal illusion. And for some African-Americans the Proclamation raises doubts about

Lincoln himself. Lincoln's Emancipation Proclamation dispels the myths and mistakes surrounding the Emancipation Proclamation and skillfully reconstructs how America's greatest president wrote the greatest American proclamation of freedom.

Camacho 2019-12-01 A distraught woman hires private investigator Hannibal Jones to track down her daughter who has run away, trying to escape the homeless shelter life her mother has come to accept. No sooner has Hannibal found Connie Blacothan he finds himself entwined in a gang war and a murder. The corpse is barely cold before a second murder follows and Hannibal finds himself entangled in a complex plot...but who is the mastermind of this twisted scheme?

Abraham Lincoln's Most Famous Case George R. Dekle Sr. 2014-04-17 Dispelling common myths and misunderstandings, this book provides a fascinating and historically accurate portrayal of the 1858 Almanac Trial that establishes both Lincoln's character and his considerable abilities as a trial lawyer. Even after the mythical elements are removed, the true story of Abraham Lincoln and the Almanac Trial is a compelling tale of courtroom drama that involves themes of friendship and loyalty. Abraham Lincoln's Most Famous Case: The Almanac Trial sets the record straight: it examines how the dual myths of the dramatic cross-examination and the forged almanac came to be, describes how Lincoln actually won the case, and establishes how Lincoln's behavior at the trial was above reproach. The book outlines three conflicting versions of how Lincoln won the Almanac Trial—with a dramatic cross-examination; with an

impassioned final argument; or with a forged almanac—and then traces the transformation of these three stories over the decades as they were retold in the forms of campaign rhetoric, biography, history, and legal analysis. After the author exposes the inaccuracies of previous attempts to tell the story of the trial, he refers to primary sources to reconstruct the probable course of the trial and address questions regarding how Lincoln achieved his victory—and whether he freed a murderer.
