*Tagging* Gene Smith 2007-12-27 Tagging is fast becoming one of the primary ways people organize and manage digital information. Tagging complements traditional organizational tools like folders and search on users desktops as well as on the web. These developments mean that tagging has broad implications for information management, information architecture and interface design. And its reach extends beyond these technical domains to our culture at large. We can imagine, for example, the scrapbookers of the future curating their digital photos, emails, ticket stubs and other mementos with tags. This book explains the value of tagging, explores why people tag, how tagging works and when it can be used to improve the user experience. It exposes tagging's superficial simplicity to reveal interesting issues related to usability, information architecture, online community and collective intelligence.

**A Wedding for Julia** Vannetta Chapman 2013-07-01 A Wedding for Julia, the third book in a romantic series from popular author Vannetta Chapman, takes a last look at the Amish community of Pebble Creek and the kind, caring people there. As they face challenges from the English world, they come together to reach out to their non-Amish neighbors while still preserving their cherished Plain ways. Julia Beechy is so stunned, she can hardly breathe. Her mother's announcement that she must either marry or move from the family home upon her

mother's imminent death catches Julia by surprise. How can she leave the only home she has ever known? What about her dream of opening her own Plain café? When Caleb Zook offers support, comfort, and a solution, Julia is afraid to accept it. Can she marry someone she barely knows? Is it the right thing to do? Is this God's plan for her future? Caleb thought his time for marrying was long past, but he feels a stirring in his heart he cannot shake for this beautiful, forlorn woman. Amid the circumstances of this life-altering decision, the people of Pebble Creek weather the worst storm to hit Wisconsin in the last hundred years. Where will Julia and Caleb be on the other side of it?

**The Ultimate Wedding Reception** Mark G. Imperial 2012-09  
This tell-all book takes years of behind-the-scenes experience from top DJ Entertainers to show you what it really takes to create a terrific wedding reception. This book is not meant to be biased in any way, but will simply report the facts and let you decide what is important for your day. This book will cover many aspects of the wedding reception. This is not meant to be just from the entertainment's perspective, although you will find where the entertainment fits as a catalyst for your celebration. There are many books, websites, and wedding magazines that choose to cover every aspect of the wedding from A to Z. Here we chose to go deep on one subject, which is the wedding reception, where I feel the information is lacking. This Book Is Like Having 2 Books in 1 In part one, we share the behind-the-scenes ingredients that go into a great reception. These won't just be the common things you will read in generalist books. Instead, you'll discover little-known secrets, facts, and unspoken truths. You may also be shocked when we reveal to you the "dark side" of the DJ Entertainer industry, which, quite frankly, some of the worst offenders hope you never hear. Over the years, we've heard so many wedding vendors complain about some of the things we will reveal, but until now no one's had the guts to tell. The good news is that we'll give you tons of great tips and things to look for and keep in mind while you plan your big day's celebration finale. We'll walk you past the big landmines, make you aware of some of the gotchas so you can avoid them, and keep you focused for success. You'll get the seven essential truths about DJ Entertainers, including a hiring checklist. And once you hire your DJ Entertainer, we'll share with you the biggest things to focus on so you can

get the best performance of their career for YOUR reception! In part two, we'll introduce to you 18 of the world's leading DJ Entertainers. We have personally invited them to contribute tips, tricks, and secrets coming from their experiences in their part of the world. These DJ Entertainers have been invited because they have demonstrated their passion and commitment to serving their clients. You should look to these DJ Entertainer chapters for big ideas, inspirations, and themes. Some will share different, unexpected challenges they faced, and how they overcame them by thinking on their feet. You'll find part two to be a refreshing way to round out the knowledge base of this book. Before this one, there has never been a book created that shares as many ideas and perspectives from top professionals for your benefit. Enjoy this book, and have a great time!

There is more to know and learn from these events. Yes, they are colorful events with spicy food menus. But the significance of Hindu marriage relies on centuries old customs and traditions. Offbeat Bride Ariel Meadow Stallings 2010-02-23

Unenthused by a white wedding gown and bored by the hoopla of the Hollywood-style reception, Ariel Meadow Stallings found herself absolutely exhausted with the nuances of traditional nuptials . . . so she chose to take a walk off the beaten aisle. In this updated edition of *Offbeat Bride*, Stallings humorously recounts the story of the original offbeat wedding-hers-and shares anecdotes and advice from dozens of other nontraditional couples. What results is a combination of hilarious wedding stories and tons of helpful how-tos—a perfect mash-up of memoir and handbook. At once practical and enjoyable, *Offbeat Bride* validates choosing the funky, different, and offbeat over the traditional, and leads couples through the planning process—from unique ideas on how to announce their engagement all the way to answering the question, "So, how's married life?" Stallings is the ultimate guide to the alternative wedding of your dreams, and with *Offbeat Bride*, she brings you a book that serves both as an encouragement and celebration of aisles less traveled.

*Bridesmaid on a Budget* Sharon Naylor 2010-12-28

Bridesmaids today face an average expense of more than \$3,000 when they accept the invitation to be in a bridal party. Add in the cost of travel and lodging—which is increasingly becoming necessary, with the growing popularity of destination weddings—and that \$3,000 climbs to an even higher price tag. It's hard to say no when a friend asks you to be a part of their wedding,

but in this economy, most bridesmaids just don't have the money to participate—not without ending up with a handful of maxed-out credit cards and a whole lot of resentment, anyway. In *Bridesmaid on a Budget*, Sharon Naylor—the author of multiple best-selling budgeting books for brides—offers women advice on how to beat the system. Naylor gives tips on where to find the best, most affordable dresses and accessories; planning fantastic (but low-cost) showers and bachelorette parties; giving a great wedding gift without emptying your pocketbook; minimizing the extra expenses of a destination wedding; and more. For the almost 10 million women per year who become one, *Bridesmaid on a Budget* is an indispensable guide to being a brilliant bridesmaid—without breaking the bank.

Ash Branderwood was told one thing before going to her best friend's brother's wedding - don't get Tagged. There's always that one guy you shouldn't want, but you just can't help yourself. horrible for your health, he'll probably break your heart, but he's going to be so much fun while he's doing it. Stay away. Ash Branderwood can't seem to heed such logic when she meets playboy millionaire Tag Masters. Weddings always seem to create a false sense of intimacy, but Ash doesn't take that into consideration when she starts fantasizing about the man she can't possibly tame. She's a good girl... well, good enough. She's never really taken any chances or done something irrational or foolish. Tag is just the person to rectify that for her. Tag has never done anything but take chances. He never had anything to lose - so he risked it all and built his name up in Sterling Shore. Meaningless sex is one of his many hobbies, and he's not looking to settle down any time soon. After all, these are the best years of his life. But, one look at Ash, and he almost forgets his own name. And what in the hell is she doing at Wren's wedding with Bity? Tag is almost furious when he sees Billy Prize brought a girl as stunning as Ash, considering Tag doesn't feel as though Billy deserves such a thing. He has to have her... at least once... possibly twice. It was supposed to be a weekend of fun, one she'd remember just long enough to forget. But she quickly realizes there's one thing for sure... she's never going to be able to forget Tag Masters, only it isn't for reasons one might think. All hell breaks loose when secrets emerge, but when Ash's life is endangered, Tag has to put aside his own issues to keep her safe.

**Royal Wedding Disaster: From the Notebooks of a Middle School Princess** Meg Cabot 2017-08-01 You are invited to a Genovian Royal Wedding in this second book pulled From the Notebooks of a Middle School Princess, a Princess Diaries spin-off series, written and illustrated by New York Times-bestselling author Meg Cabot. Olivia Grace Clarisse Mignonette Harrison still finds it hard to believe that she's a real live PRINCESS OF GENOVIA. Not only does she get to live in an actual palace with her newly discovered family and two fabulous poodles (who all love her and think that she's anything but ordinary!), but she also gets her very own PONY! Of course, things aren't going exactly like she imagined. Her half-sister Mia is very busy learning how to take over the country while trying to plan a wedding and her father is actually getting remarried himself—to Mia's mother!—and spends most of his time "renovating" the summer palace, although Grandmere says he is just hiding from the wedding preparations. Olivia hardly gets to see either of them. Fortunately, Grandmere has her own plans for Mia's wedding, and needs Olivia's help to pull them off. Just when Olivia starts to think that things are going to work out after all, the palace is invaded by a host of new cousins and other royals who all seem to be

angry at Olivia (although Grandmere says they are just jealous). As the day of the wedding gets closer and closer, Olivia becomes more and more worried. For such a carefully planned event, it seems like a LOT of things are going wrong. . . . Can Olivia keep this royal wedding from becoming a royal disaster? This is fun, illustrated middle grade—and this is the first series illustrated by Meg Cabot herself! The paperback features an interview with Meg Cabot and an excerpt of the next book.
