The Member of the Wedding

Carson McCullers 2019-12-10 A novel that became an award-winning play and a major film, and that has charmed generations of readers. The

Member of the Wedding is a story of the inimitable twelve-year-old Frankie, who is utterly bored with her life until she hears about her older brother's wedding. Bolstered by lively conversations with her house servant, Berenice, and her six-year-old cousin—and her own unbridled imagination—Frankie takes on an overly active role in the wedding, even hoping to go (uninvited) on the honeymoon. This story is a marvelous study of the agony of adolescence and of wanting to be part of something larger and more accepting than yourself. The Member of the Wedding showcases Carson McCullers at

2009-09-15 Label 228 is a gathering of street art executed on priority mail labels (Label 228, in official parlance) and displayed in public spaces. It's a remarkably prevalent method of exposure featured by graffiti artists worldwide. These labels are free, portable, and quick and easy to exhibit, offering artists the chance to spend more time creating their work than if they were to paint and write directly on walls, vehicles, and public objects. Camden Noir launched his Label 228 project by putting out a call to artists, asking them to send him their artwork or anything, for that matter, on priority mail labels.

Within six months, he received

Love, Inc. Laurie Essig

2019-02-05 The notion of “happily ever after” has been ingrained in many of us since

childhood—meet someone, date, have the big white wedding, and enjoy your well-deserved future. But why do we buy into this idea? Is love really all we need? Author Laurie Essig invites us to flip this concept of romance on its head and see it for what it really is—an ideology that we desperately cling to as a way to cope with the fact that we believe we cannot control or affect the societal, economic, and political structures around us. From climate change to nuclear war, white nationalism to the worship of wealth and conspicuous consumption—as the future becomes seemingly less secure, Americans turn away from the public sphere.

and find shelter in the private. Essig argues that when we do this, we allow romance to blind us to the real work that needs to be done—building global movements that inspire a change in government policies to address economic and social inequality.

Wife, Inc. Suzanne Leonard

2020-05-01 A fascinating look at the changing role of wives in modern America After a half century of battling for gender equality, women have been freed from the necessity of securing a husband for economic stability, sexual fulfillment, or procreation.

Marriage is a choice, and increasingly women (and men) are opting out. Yet despite these changes, the cultural power of marriage has burgeoned. What was once an obligation has become an

exclusive club into which heterosexual women with the right amount of self-discipline may win entry. The newly exalted professionalized wife is no longer reliant on her husband's status or money; instead she can wield her own power provided she can successfully manage the business of being a wife. Wife, Inc. tells a fiercely contemporary story revealing that today's wives do not labor in kitchens or even homes. Instead, the work of wifedom occurs in online dating sites, on reality television, in social media, and on the campaign trail. Dating, marital commitment, and married life

have been reconfigured. No longer the stuff of marriage vows, these realms are now controlled by brand management and marketability. To prosper, women must appear confident, empowered, and sexually savvy. Guiding readers through the stages of the “wife-cycle,” Suzanne Leonard follows women as they date, prepare to wed, and toil as wives, using examples from popular television, film, and literature, as well as mass market news, women’s magazines, new media, and advice culture. The first major study to focus on this new definition of “working wives,”

of Tag's owner, doomed by her father's greed to marry a much older Roman man. But she loves studying the natural world around her home in Pompeii, and lately she's been noticing some odd occurrences in the landscape: small lakes disappearing; a sulfurous smell in the air. . . . When the two childhood friends reconnect, each with their own longings, they fall passionately in love. But as they plot their escape from the city, a patrician fighter reveals his own plans for them - to Lucia's father, who imprisons Tag as punishment. Then an earthquake shakes Pompeii, in the first sign of the chaos to come. Will they be

A Wedding At Two Love Lane
Kieran Kramer 2018-01-02

Never say never when it comes to love in A Wedding at Two Love Lane by Kieran Kramer. Greer Jones has made a real name for herself at the elegant matchmaking agency Two Love Lane. For a lot of reasons—including a past engagement she broke off—practical tech expert Greer is more interested in the business of love than the experience of it, but she can't help but covet a gorgeous wedding gown that's the prize in an upcoming cocktail-party

contest. In a moment of brazen inspiration, Greer asks a handsome Brit she's only just met to accompany her to the party. He agrees—and Greer believes her date is a starving artist. Little does she know the truth. . . Ford Smith, as he calls himself, is actually Stanford Elliott Wentworth Smythe, the Eighth Baron of Wickshire. Fresh off a breakup with a money-grubbing siren who deceived him all the way to the altar, Ford has no desire to fall in love—especially with Greer who, like the desired wedding gown, is beautiful but only skin-deep. But soon Ford realizes that there's more to Greer than meets the eye. Her
